# Apex

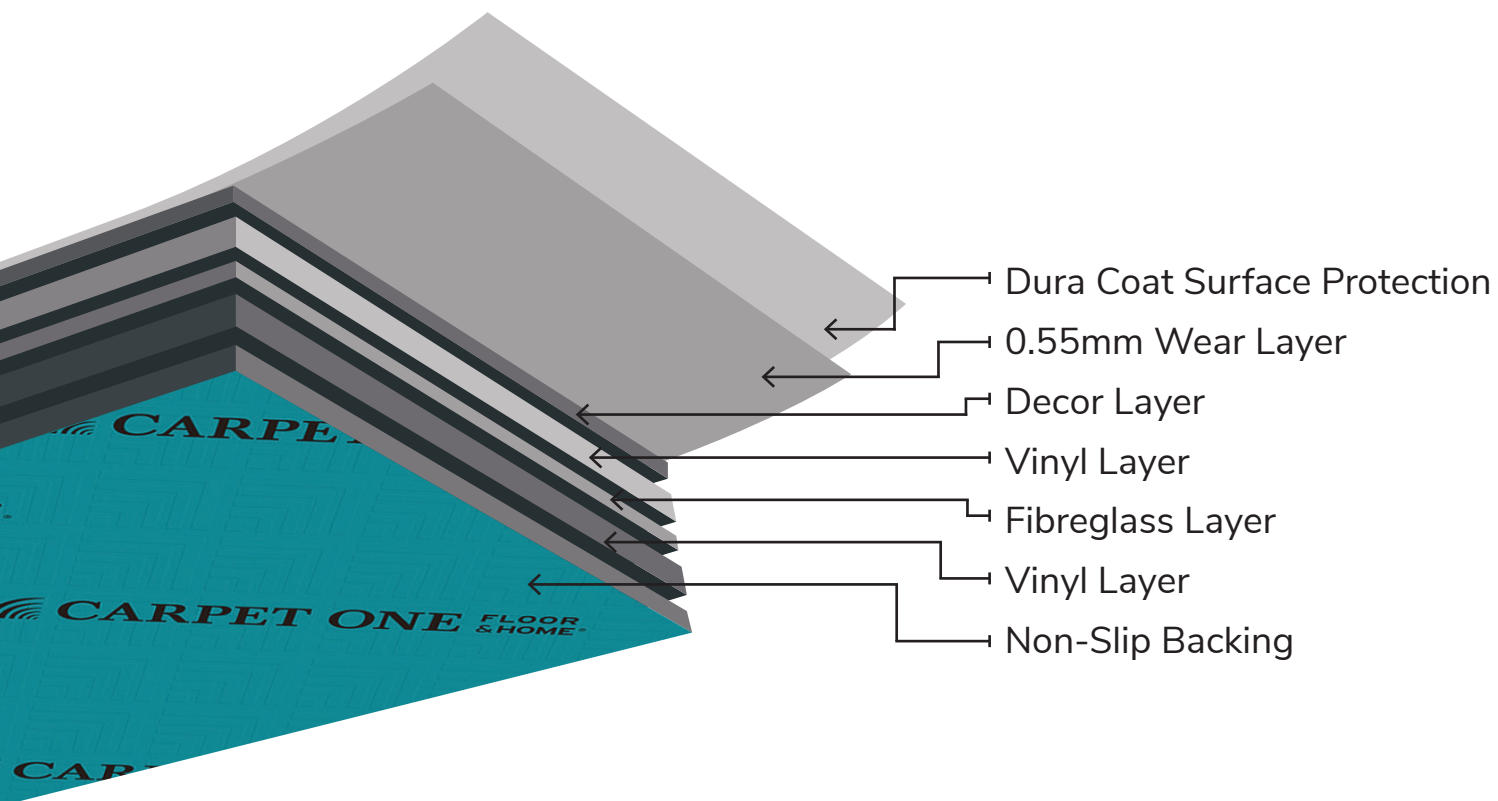

# Apex

Apex features a wide selection of colours, from the rich warm tones of Queensland Spotted Gum to the subtle cool hues of Cracked Oak. The surface texture has been carefully selected for each colour to complement the design and ensure a realistic look and feel. With a long plank format and micro beveled edge, this floor will create an eye-catching impact in all areas of your home.

Not only does Apex deliver exceptional visuals, but also offers all the benefits of luxury modular flooring. Containing a fibreglass reinforcement layer throughout the plank, it provides superior structural stability. With a heavy-duty wearlayer combined with Dura Coat surface protection, you can be confident that your floor will look newer for longer and withstand the coming and goings of a busy household. Apex requires low maintenance, leaving you more time for the things you enjoy most.

With its style, durability and comfort, Apex is the perfect fit for your home.

We are contributing \$0.50 per m<sup>2</sup> to TIACS, a free mental health service for tradies, truckies, rural and blue-collar workers facing mental health challenges.
