Pegasus

Pegasus seamlessly combines aesthetic appeal with functional excellence, serving as a natural insulator for any space. Beyond its visually striking design, the inherent properties of wool create an insulating barrier, retaining warmth in colder seasons and maintaining a cool atmosphere during warmer months. Pegasus becomes more than a stylish design element; it transforms into a foundation for cosiness and elegance in every room. Embracing the inherent qualities of wool, it enriches living spaces with both visual allure and thermal comfort.

Technical Data

Type:	Wool Carpet	Roll Width:	3.66m
